ORDER

Defendant CACI Premier Technology, Inc. has filed a Motion to Stay Proceedings Pending Filing and Disposition of a Petition for a Writ of Certiorari [Dkt. No. 1314], which the plaintiffs oppose. Although the Court appreciates the plaintiffs' being frustrated by further delay of a civil action which was filed over ten years ago and had advanced to the verge of trial, the defendant's motion has merit. If certiorari is not granted, the delay of the jury trial will most likely be for a few months. Should certiorari be granted, there will be a longer delay, but that would also suggest that the Supreme Court might resolve issues which could have material effect on the litigation.

To avoid unnecessarily expending attorney and judicial resources, which could be mooted by the Supreme Court's action, defendant's Motion to Stay [Dkt. No. 1314] is GRANTED, and it is hereby

ORDERED that this civil action be and is STAYED until further Order of the Court.

The Clerk is directed to forward copies of this Order to counsel of record.

Entered this 1st day of November, 2019.
